**Mr. Roberto Santos
Superintendent
United Independent School District
Laredo, Texas**

Dear Mr. Santos:

As discussed, I am making a charitable contribution of \$50,000 to the United ISD Scholarship Program and would like my contribution to be a directed one, i.e., with a specific purpose. My goal is that the UISD utilize the money to establish a scholarship fund, to be named the "E.C. Snyder Scholarship Fund", to provide an annual \$1,000 college scholarship to two (2) disadvantaged students from one or more of the local high schools in the UISD, hopefully in perpetuity. Additional contributions to the fund are welcome and could help expand scholarship reach.

My desire is that the money be invested in an interest bearing account and/or interest bearing products (for example CDs bearing interest at 4% or more) with the interest proceeds used each year to fund the two annual scholarships starting in 2010 (allowing the fund to earn interest in 2009). Obviously if interest rates are such that the UISD cannot fund two (2) annual \$1,000 scholarships per year after 2010, then I authorize the UISD to also draw from the principal of this fund.

I would like the two annual scholarships to be given to two (2) deserving high school students in the UISD who are selected by your Program each year. The important thing is that I want the money to be used for scholarships for financially disadvantaged students in Laredo, i.e., to students who excel in school (earning at least a "B" average) but whose families do not have the economic capacity to help pay for college. I would also like, as an additional condition, that the candidates for these scholarship be students that have not otherwise received more than one additional scholarship in that particular year, to avoid the situation where the same kids receive all of the scholarships.

December 1, 2008

Dear United Independent School District Administration:

I would like to inform you of the Tenth Annual Rochelle and Sidney Hochman Educational Support Grant recipients from your school district. There were many excellent applications to choose from.

I am planning a reception on Wednesday, December 10, 2008 to honor the grant recipients in my office at 5313 McPherson Rd, at 5:30 PM. The recipients and their spouses are invited. I was hoping that you could do two things for me. If you would have a representative of your school district attend the reception to say a few words, it would be greatly appreciated. I anticipate the media will be in attendance, as well as the recipients and representatives of both school districts.

Also, please notify the recipients of their selection. I will present a check to your school district at the reception, and I trust you will distribute the monies as indicated below.

Thank you very much for helping me in this charitable endeavor.
