

OHS Commencement Date

Current Practice

- Seniors' last day is the Thursday of the 3rd full week of May
- Commencement is held the weekend after Memorial Day
- This has resulted in a span of 10-17 days between seniors' last day and their Commencement
 - Creates a lack of urgency for seniors needing to complete work to earn credit
 - Contributes to confusion for both students and teachers
 - We have a Senior Status Process in place to monitor and motivate
 - Is anticlimactic for seniors
 - Build up of "last week" events (Skip Day, Senior Service Project, Senior Honors Night, Seniors' Last Day) and then . . . wait 10-17 days before walking across the stage
 - Delays post-graduation planning (open houses, travel)

Senior Status Process

- Purpose: To ensure direct communication (email, phone, in-person) occurs with students who may be in danger of not graduating and their parents/guardians; to document the exact steps to complete course requirements and earn credit
- Step 1: Due April 14, 2023
 - Registrar & Counselors provide a list of seniors in danger of failing to teachers (April 11th)
 - Teachers communicate with student and parents/guardians (by April 14th)
- Step 2: Due May 5, 2023
 - Teachers update list
 - Teachers and counselors follow up with seniors still in danger of failing and parents/guardians
- Step 3: Due May 17, 2023
 - Teachers update list
 - Counselors notify seniors who have failed to earn credit they are not eligible for Commencement and offer alternative credit options for a late graduation

What would you do with an extra 10-17 days?

- Some students *have* used those extra days to complete requirements
 - Teachers are sometimes unsure if they should accept that late work
 - It is more difficult to try to work with such students since they do not continue to attend school
 - Students will still turn in work the Friday before Commencement
 - Undermines the purpose and timeline of our Senior Status Process
- Most students who do not participate in Commencement still graduate
- Many return or enroll in Graduation Alliance
 - Are welcome to participate in Commencement when requirements are met
 - Most choose not to attend

Using a flexible model with a 3 day span will

- Not interfere with AP testing
- Support our Senior Status Process with a firm deadline
- Increase the excitement and reward for our graduating seniors
- Avoid holding Commencement on Memorial Day weekend
- Provide more opportunities for Senior Open Houses
- Provide additional travel time for students with family overseas
