Southern Oregon High Tech Cyber Task Force is working hard to keep kids in Southern Oregon safe from harm on the internet. Their work is mentioned in the local papers almost weekly; arresting people who have committed crimes against children. Come learn what the Task Force and FBI have to say about these subtle High Tech Cyber Crimes. They will be in Grants Pass teaching a class that includes: chat rooms, social networking, online games, virtual worlds, parental involvement, and internet sexual predators. The class is free. No children under 12 years of age. Class is scheduled for Thursday, January 19th at 6:30, at Grants Pass High School Commons. This community education event is brought to you by Grants Pass Council.
