Re: Recommendation to hire the following:

- **Kylie Wild (Special Education Teacher, Elizabeth Ide 2026-2027 School Year)**

I am pleased to recommend Kylie Wild for the Special Education Teacher position for the 2026–2027 school year.

Throughout the interview process, Kylie consistently highlighted her passion for supporting young learners and her ability to build positive, nurturing relationships with students. She has a clear understanding of early learning standards and instructional practices that promote both academic growth and social-emotional development.

In addition to her classroom experience, Kylie expressed genuine enthusiasm for collaboration. She is eager to work closely with colleagues, specialists, and families to ensure that each child's individual needs are met. Her team-oriented mindset aligns well with our district's commitment to fostering a supportive and collaborative professional culture.

I recommend Kylie Wild for the Special Education Teacher position for the 2026–2027 school year. I am confident she will be a positive addition to our staff and will support our continued commitment to student success.

Thank you for your consideration.
