RE: Proposed Revision of Policy 9132, “Standing Committees”

Based on yesterday afternoon’s meeting of the Board’s Policy Committee, please find attached a proposed revision of Policy 9132 which:

- Clarifies the number of Board members appointed to each standing committee of the Board (“three,” as opposed to “at least three”) to avoid potential quorum issues if more Board members were to be appointed;
- Clarifies the consensus role of the three Board members appointed to each standing committee;
- Broadens the opportunity of parents and staff to request participation on Board committees; and
- Cites all relevant BOE committee policies for public reference.
