Re: Project #1 – Bond Update

I would like to add an agenda item to Monday's Board of Education meeting. French Associates and Plante Moran Cresa would like to present the current status of Project #1 – Bond Update. This will include the current Design Development (DD) drawings so the Board can be up to date on the design progress in the five school buildings (Emerson, Cooper, Randolph, Coolidge, Kennedy) being renovated in summer 2022.

Please contact me if you have questions. Thank you.
