Date

Non-Profit/Community Service Learning Site Application

If submitting an application for a place of worship, the service activities must provide a service that extends beyond serving members (e.g., setting up for a service). The activity must serve the community at large and not just the members of the place of worship.

100

Identify the non-profit/community organization personnel who will supervise student volunteers. *

Chad Files

Does your organization maintain liability insurance for volunteers? *

Yes

Do staff members or volunteers who would be working directly with students undergo background checks? *

Yes

If no, provide details of your procedures and policies to ensure the safety of student volunteers. *

Untitled Section

Does your organization have sites at other locations? *

Yes

If yes, where? *

Bentonville

What is the mission of your organization? *

building skills and community with youth

What service(s) does your non-profit/community organization provide? *

sense of community, responsibility to team and others

Describe the volunteer activities students would participate in with your organization. Be specific. For example, write, "stock and organize cans in food pantry for community members" instead of "help in food pantry." *

maintain and develop trail systems to provide beautification to our community and learning the need for physical labor and giving back to the community.

Curriculum Connections

The activities that students complete may connect to what they're learning in school. Select the curriculum connections that your organization may reinforce. Select all that apply. (Adapted from the Maryland Student Service Alliance)
