## Principal's Message

We are off to a fantastic start to the school year! During the first week, our students have already shown themselves to be true exemplars of our core values—showing respect, striving for excellence, and demonstrating determination in all they do. Their energy, positivity, and commitment set the tone for a great year ahead. We are excited to continue building on this momentum and can't wait to see all the growth and accomplishments to come.

We also look forward to seeing all of our families at Open House—it's a wonderful opportunity to connect, celebrate our students, and partner together for a successful year. Hope to see you there!

Erik Lathen  
Principal
