Subject: Approve TEA Expedited Waivers

MISD Board of Trustees: April 15, 2025

Agenda Item – 8A4

Background Information

The district applies for waivers on an annual basis. Expedited waivers are subject to automatic approval by TEA as long as they are completed correctly. The waivers are submitted on-line after Board approval.

MISD will apply for the following general and expedited waivers:

- Dual Credit
 - This waives the requirement of the District to provide a school year with a minimum of 75,600 minutes for dual credit students when college and high school calendars do not coincide. Approval for this waiver will be good through 2026-2027.
- Staff Development
 - This waiver allows the District to train staff on various educational strategies designed to improve student performance in lieu of a maximum of three days for student instruction. This approval will be good 2024-2025 and 2025-2026.
- Modified Schedule State Assessment Testing Days
 - This waiver allows the District to modify the schedule of classes for students who are not being tested to report to and attend school after the state assessment testing period has ended, therefore reducing the interruptions during the testing period. Students who are not being tested must still meet the maximum 2 through 4 hour requirement for funding (see SAAH 3.6.6 Attendance Accounting during Testing Days). Approval for this waiver will be for years 2024-2025, 2025-2026, and 2026-2027.

Fiscal implications

None

Administration Recommendation
