Curriculum and Instruction

World geography is getting ready to start their first Choices unit. They will use the skills they've developed to explore a topic.

Grammar and composition class is getting ready to write their second essay. They will be analyzing figurative language in poetry.

Strategic Reading and Writing students have been enjoying reading *The Outsiders*. Their cumulative project for the unit will begin after Christmas Break. For their cumulative project, they will analyze the themes in the novel and determine if they are still relevant to teenagers today.

Activities and Events

Volleyball

Our volleyball team was able to travel to the state competition in Anchorage last week due to another team dropping out. The girls went to Anchorage and played their hearts out.

Wrestling

Wrestlers are headed to the regional tournament in Wrangell this weekend. Top placers will head to state the third week in December.

Archery

The CHS archery team has 13 participants ranging in age from freshman to seniors. CHS plans on having an NASP State Shoot the second week in December

Basketball

Basketball practice is underway. The boys are coached by Brian Grosenbaugh and have 15 students participating. The girls are coached by Vanessa James and have seven students participating. Competition for both teams begin in January.

Drumline

Rachel Balcom is heading up the drumline again. Students were very excited to kick the season off. We have approximately 16 students participating.

Academic Decathlon

Ten members of the ACDC team are travelling to Juneau on December 9th & 10th. Two varsity, two scholastic, and eight honors competitors are on the team this year. Due to conflicts with wrestling and some illness, not all team members will be travelling to this first competition. This year's theme is Water.

Winter Concert

The CHS winter concert will take place on December 16th at 6:30 p.m. in the CHS Auditorium. The high school choir and band will be performing as well as the middle school band. We are looking forward to their performances.

Climate and Connections

PTSA donated four Christmas trees to CHS. Our students had the opportunity to participate in a tree decorating contest. We had a welding themed tree, a tree with a racetrack and cars, a geography themed tree, and a music themed tree. Students voted on their favorite tree, and the winners were given a pizza party.

Wrestlers were sent off to regionals by the entire student body with a celebratory and wrestling themed pep assembly. All pep assemblies are planned and facilitated by student council. They are doing a fabulous job of keeping school spirit high and involving as many students as possible.

Appreciations

- **Thank you to the PTSA for the Christmas trees!**
- **Thank you to Dan Nelson for working so diligently to get our heating system operational!**
- **Thank you to Mr. Jeffrey and Mr. Thain for arranging an impromptu field trip to the voc. tech center in Klawock!**
