**Highlights**

**The IPK Safety Team** has done an incredible job preparing for the return of students. Every aspect of the school day from arrivals to departures was thought through and well-planned.

Return to Learn Plan, Yellow status fact sheet, Orientation Video, Virtual open house

**Healthy Futures Challenge** – Ipalook had the highest number of students reporting activity during the months of September with 157, October with 185, and November with 175 for the Fall Challenge. We received a banner for 1st place in the state for large schools.

We are proud to have Stuaqpak supporting our students for their choice to be active. Several students were randomly selected to go shopping at Stuaqpuk with the counselor and a teacher. Congratulations to Marlow, Nora, Ivan, Winnie, Betty, Mehana, Avianna, and Audrey. Prizes were selected for Sasha, Mason, and Brayden. All participants received monthly awards from Healthy Futures.

**Challenges**

- The internet – this has been a major problem for several months now and now with students attending in-person, this needs to be working properly. If not, this will pose a major problem in assessing students.
- A few families have been challenging to get in contact with and getting their student attending school either in-person or distance learning.
