

APPLEGATE SCHOOL

Cougar Tail

April
2012

Dear Applegate Families~

I wanted to share with all of you that after 8 years at Applegate School, I will be moving on to a new job with Three Rivers School District next school year. As many of you know, I have spent the last 17 years working in Special Education and this new position as district Special Education Director keeps me working in a field of education that I love. While I am honored to be asked to take this job, I am saddened that it means I will no longer be a part of this incredible school community. As I look back on our journey together I am filled with so much thanks and gratitude. The support I have received from staff and parents, the incredible children and amazing community members; all of you make Applegate School so unique. Thank you for working so hard for all our kids and letting me spend 8 incredible years in such a wonderful place. Applegate kids are truly something very special and will always have their own place in my heart. We are in the process of interviewing for my position and once a selection has been made, I promise to work very hard to transition the new principal into our school community, making sure they know how very special it truly is!

~Stephanie

Student council is having a

Coin Drive

To raise money towards the completion of the old building.

Starting April 9th and lasting the entire month of April

We will celebrate meeting our goals by having a "pie assembly" where one student per class will get to pie a teacher or staff member. (based on goals met)
