- Volleyball

Volleyball

What a season for our middle school volleyball team! These dedicated and hard-working athletes committed to not only improving their skills but also to getting to know each other as teammates. This effort resulted in a truly remarkable improvement in their play and teamwork from start to finish.

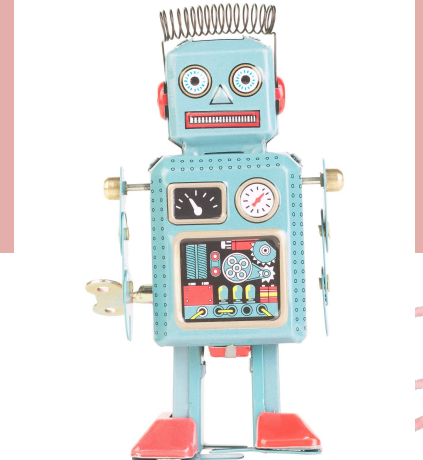

Cheer

The cheer team has mastered all 35
cheers and have performed many times

Clubs

- Chess
- D&D
- Robotic

Chess

Chess every wednesday! So far no tournaments yet but they do have a leaderboard and if your at the top then you get a prize!

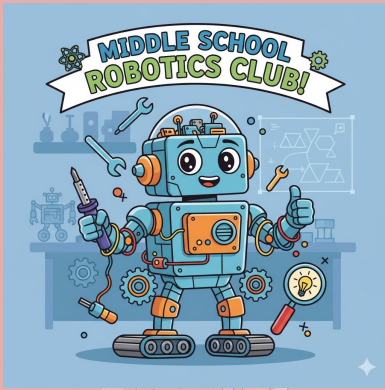

Dungeons & Dragons Club

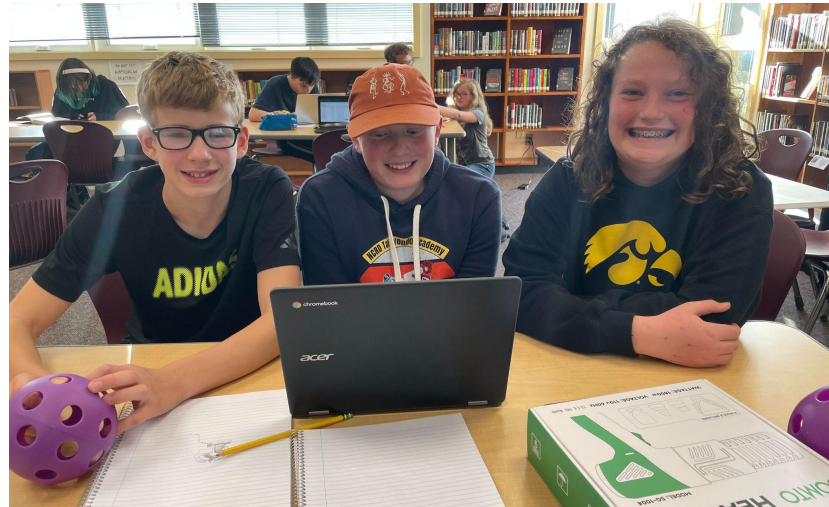

D&D is done creating characters and they are having a fun time with Ms. Green and Ms. Tiffany. They also really enjoy the snacks they provide!

Robotics

**Is off to a
strong
start this
year!**

Unified Robotics

New this year - an opportunity for students with and without intellectual disabilities to learn from each other and build robots.

Lord of the Robots!

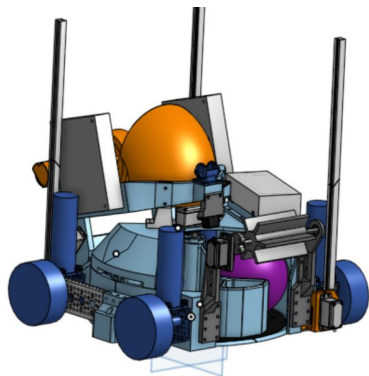

Students are creating Scout and Ballista robots that can complete a challenge to drop some towers.

FIRST Tech Challenge Team

The Decode Competition has the team completely redesigning the robot from the ground up!

The new team is named “Tsunami Zone”

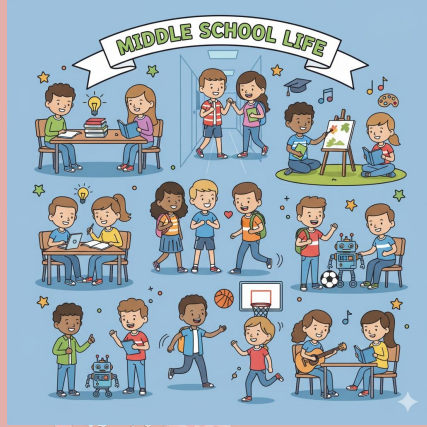

Outdoor School

Our 6th grade students had an unforgettable week at Outdoor School where they practiced kindness, teamwork, and respect while connecting with nature and each other.

Students learned about one another through shared experiences, built shelters together, tried their hand at fishing and archery, and enjoyed delicious meals. It was a week full of hands-on learning, laughter, and memories that strengthened our school community.

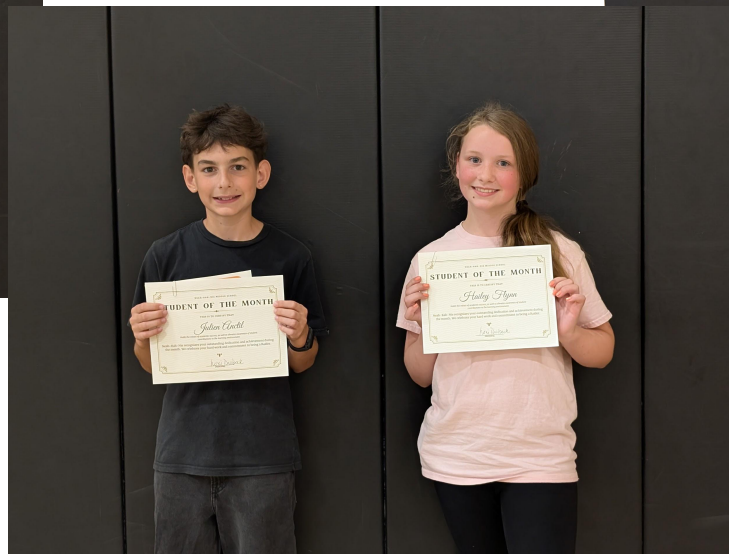

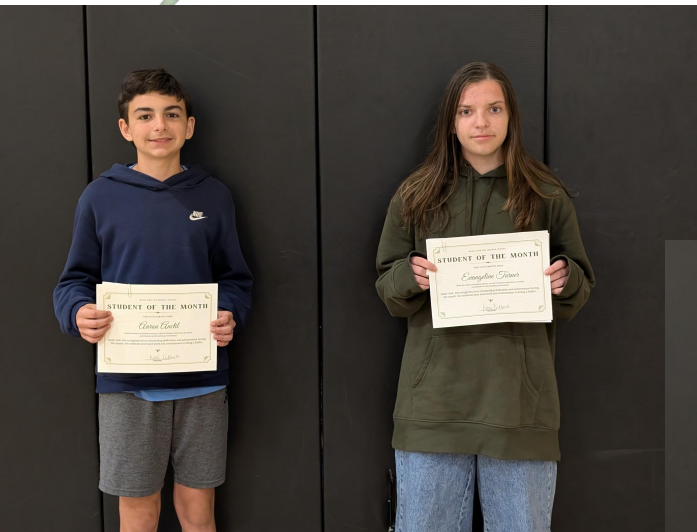

Student life

At NKNMS, we're building a school community where learning is fun, students feel valued, and everyone has a voice. From engaging classes to spirit days, clubs, and leadership opportunities, our students are involved in shaping the culture of our school. With a warm, supportive environment and a focus on connection, we're looking forward to a year filled with new experiences, lasting memories, and plenty of fun along the way!

Spirit Week

October Students of the Month

PBIS Assembly

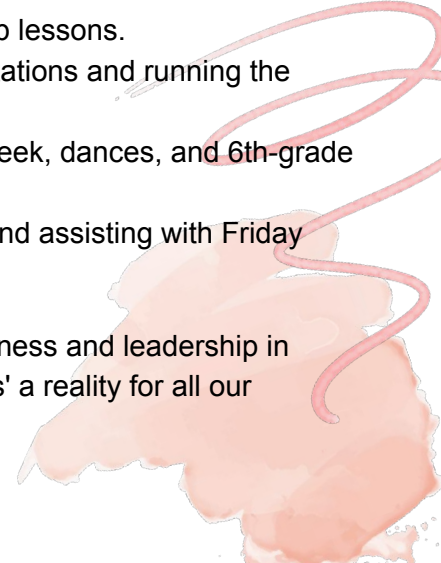

W.E.B.

- We mentor students and lead Academic WEB follow-up lessons.
- We help manage school operations, including PBIS rotations and running the Student Store.
- We drive student life by organizing events like Spirit Week, dances, and 6th-grade socials.
- We lead service initiatives, including recycling efforts and assisting with Friday food bags.

In short, W.E.B. Leaders are committed to demonstrating kindness and leadership in every corner of the school, making 'Where Everybody Belongs' a reality for all our students."

**Thank you NKN
School Board
Members for
supporting all
students and staff!**
