SUBJECT: School LAND Trust Plan Amendment

---

Silver Ridge Elementary is seeking Weber School District Board of Education approval on changes to their School LAND Trust Plan. In an effort to support the attainment of Goal #1 and Goal #2, the Silver Ridge Community Council would like to add an additional action step. This information was shared with the Community Council on March 2, 2023.

The following are statements of the proposed action steps.

*Goal #1 (proposed additional Action Plan Step)*

- Classroom technology will be purchased and upgraded to support active and engaging learning (\$7,600). We will also continue to replace and repair technology utilized in the classroom (\$2,900)

*Goal #2 (proposed additional Action Plan Step)*

- Classroom technology will be purchased and upgraded to support active and engaging learning (\$7,600). We will also continue to replace and repair technology utilized in the classroom (\$2,900)

On March 2, 2023, Silver Ridge Elementary discussed the proposed additional action step and conducted a Community Council vote regarding the proposed change. Brian Anderson motioned to add the action step. Brynn Eyre seconded the motion. The Silver Ridge Community Council was represented by a quorum and voting was unanimous for the above-proposed change.

Based on this information, I am requesting the Weber School District Board modify the School LAND Trust Goal #1 and #2 to include the proposed Action Step for Silver Ridge Elementary School.
