### Project Status Report

Courthouse Sanitary Sewer – I have made contact with the city engineering department on a time frame for this project and have been told the contractor is out of town. I will get with him when he returns.

Courthouse Boiler Repair – Parts have been ordered.

Fairgrounds shed/tools for caretaker – Cleaning of the truck barn is underway.

Accident damage to center restrooms at the Fairgrounds – We have received quotes for the repair of the fence along 11<sup>th</sup> Ave., all masonry work and replacement of fixtures inside of the building. Quotes have been sent to the insurance company. Check is to have been mailed. Check that was mailed was insufficient. Still waiting.

DHD building air conditioning – All areas of the building now have AC working. Waiting for parts to arrive.

Tower project for 911 – Continues to move along.

Courthouse & Annex Roofs- Work started on the Annex on 9/13/22. Work is being done on both buildings as court schedules allow.

Pool water flow Meter – Health Department has said that waiting to replace the meter until after the first of the year is acceptable.

Annex restroom improvements – some materials have arrived and still waiting on others. Mini-split unit has been installed and is in use.

Courthouse Stair repairs- Project is complete.
