

COVID-19 Communication

Employee Tests Positive

Contact District COVID Contact reportcovid@isd709.org
218-336-8731 & leave message

V

Employee must record leave or request temporary remote working.

Request Remote Working Acknowledgment Form

If Principals,
Program Managers,
or other district
staff are notified of
the positive case
first, direct
employee to report
to District Covid
Contact and take no
other action. Staff
must maintain
confidentility and
not contact others.

POSSIBLE other communication from the district to others via Disrict COVID Contact, HR or Press Release

Building Staff will be notified via Email from District COVID Contact of a Positive Case out by phone (avg. response time 6 hours) starts investigation and records data

Employee who tests positive is given instructions for isolation based on the **MDH Decision Tree**

Employee provides additional information for possible contact tracing

MDH may require the district to do further action. (May take up to 24 hours)

District COVID Contact will notify MDH of ALL positive cases.

District COVID Contact will notify all determined **close contacts** and advise next steps

District COVID Contact fills out Google Form for Employee Case Log which maintains the district-wide isolation status of employees with confirmed positive cases.
