- III. Second semester schedule
 - Individual Schedule – February 8- The second semester begins on February 8th. Schedules will be passed out that morning. There will not be much change in schedule except Mr. Patch will teach a Environmental Science class instead of Zoology. He feels there is more interest amongst our students for the Environmental Science class.

- IV. College and Career Advocate Report – We have Jessica Frerk who is our college and career advocate. She is trying to find places that college and career curriculum can be worked into other classroom curriculum. She had been connecting with our students to get them to move towards their future careers and colleges.
- V. Opt out letters- We gave all juniors the opt out letters that were provided by our district office. We have received just two letters back so far. Mrs. Taylor suggested that perhaps we also post this opt-out information on our website.
- VI. Evergreen Bank- Mr. Misner explained that Evergreen bank had approached him regarding doing a project for us. They are talking about maybe doing a more modern sign for the front of our school, or revamping the stage or doing some maintenance on our driveway.
