*Schedule coming soon!*

Over the next month or so, Dr. Robinson, along with several members of cabinet, will be visiting each school during lunchtime. These visits are an opportunity for staff to share questions, concerns, or ideas in a conversational setting and to engage directly with district leadership. Snacks will be provided.

# Fieldhouse Grand Opening

Thank you to everyone who joined us for the E.H. Stech Fieldhouse Grand Opening last Tuesday—it was a fantastic event! A special shoutout to Bill Smith, Facilities Project Manager, for overseeing the project from start to finish.
