Principal's General Narrative:

Teachers and students have returned from the holiday break and are getting back into the tasks of learning and preparing for upcoming exams.

Hopefully, the health issues of the flu and upper respiratory infections will not be a big problem with the return of students and others whom have traveled to other areas and were possibly exposed to these sources of illness.

The Junior High Faculty and I would like to say thank you to each board member for their dedication and hours put in to keep making BISD a better school district. Also, we want to express once more our appreciation for the monetary recognition given to all school employees before the Christmas holidays. I can say that each of you, along with Mr. Stephenson and Marla Madrid, made the holidays a more joyful time for BISD employees.

Respectfully submitted,
 George T. "Stoney" Burks
