

School District Teaching Permit (SDTP)

Noncore Academic Career and Technical Education

Notification from the School District to the Commissioner of Education

Important Note: Entities listed as Districts of Innovation (DOI) on the TEA website with an approved plan that exempts them from certification requirements specific to Career and Technology Education (CTE) assignments should not submit this form.

Texas state law requires the district to notify the commissioner of education when the district has issued a SDTP to teach courses only in noncore academic career and technical education (CTE) based on qualifications certified by the superintendent of the school district and issued by authority of the local district board of trustees ([TEC §21.055 \(d-1\)](#)). A "noncore academic CTE course" is a CTE course that is not eligible to satisfy foundation graduation course credit in mathematics, science, language arts, or social studies.

She has run her own business alongside her husband, McCurry Produce, been the Samsonite Company Stores Southwest District QC Coordinator/Store Manager, Solstice Sunglass Boutique Assistant Store Manager, Shoe Show Area Store Manager, and David's Bridal Receiving Manager. In addition, Mrs. McCurry holds Associate Degree in General Business from Panola College, and a wide list of certifications in the business realm.

District Affidavit: Districts shall retain all supporting documents of the individual's qualifications to teach the course curriculum for five years after the individual's last day of employment. A SDTP remains valid unless the district issuing the permit revokes it for cause. An individual teaching on a SDTP is not certified by the State Board for Educator Certification. Any decision the district makes to issue a SDTP rests solely with the district.
