## Maintenance Department Updates

### Current Projects:

#### Minico

1. Irrigation Pump Project Relocation- 95% complete. Pump is up and running. Working on some technical and pump issues. Butte has completed the set the new pump and tied-in to the head gate.

2. Loading dock at Minico. Extension to allow a new walk-in freezer and walk-in refrigerator to be added to the kitchen. Mr. Bird and his Ag class are wanting to do the demolition of the old freezer to reutilize in the Ag program. Mr. Bird has removed and relocated the old freezer and refrigerator. The new access has been cut. Waiting for the new equipment to be installed.

3. Minico sign is completed.
