

# 2020 Proposed Tax Levy

Oct. '20 Nov. '20 June '21 Sept. '21

**NOVEMBER 16, 2020** 

# TAX LEVY — BUDGET - CASHFLOW

#### **TAX LEVY**

- Provides the resources needed to maintain and enhance programs for students
- Provides funding in June & September

#### **CASHFLOW**

- A significant portion of District revenue arrives in June which is used to fund the following year's programing
  - Example: \$17.5M Budgeted Ending Fund Balance in Ed Fund (FY21)

#### **BUDGET**

- Reflects the District's Goals and Objectives
- Represents all funds and authorizes expenditures
  - Education Fund is the primary fund used to support the operations of the District
    - Salaries
    - Benefits
    - Purchased Services
    - Supplies & Materials
    - Capital Outlay
    - Other Objects

All are intertwined within the financial operation of the District

PURPOSE

The purpose of the local property tax is to access funding to maintain and enhance the programs associated with providing all Geneva CUSD 304 students with a high-quality educational experience.

IMPORTANCE

Local property taxes represent approximately 85% of the total school district revenue.

TERMS

**Aggregate Levy** - the annual corporate levy of the taxing district and those special purpose levies which are made annually (other than debt service levies and levies made for the purpose of paying amount due under public building commission leases).

**Debt Service Levies** - are those levies made to retire the principal or pay interest on bonds or to make payments due under public building commission leases.

**Property Tax Extension Limitation Law (PTELL or "Tax Caps")** - limits the increase over prior year extension on existing property to 5% or CPI whichever is lower.

**Consumer Price Index (CPI)** - Inflation factor used for determining extension of tax levy.

# 2020 TAX LEVY

Equalized Assessed Value (EAV) is determined by the Township Assessor using 33% of the fair cash value of a property and applying an equalization factor set within the County. (Typically a factor of 1.00)

BATE

The amount of the school district's authorized tax rate is determined by the total amount of the taxes levied by the Board of Education.

The formula used to calculate the tax rate is as follows:

FORMULA

Total Dollars Levied /
Total Assessed Property =
Tax Rate

# LOCAL PROPERTY TAX FACTORS

PROPERTY
TAX EXTENSION "TAX CAP"
LIMITATION

**TOTAL** 

Prior Year Taxes

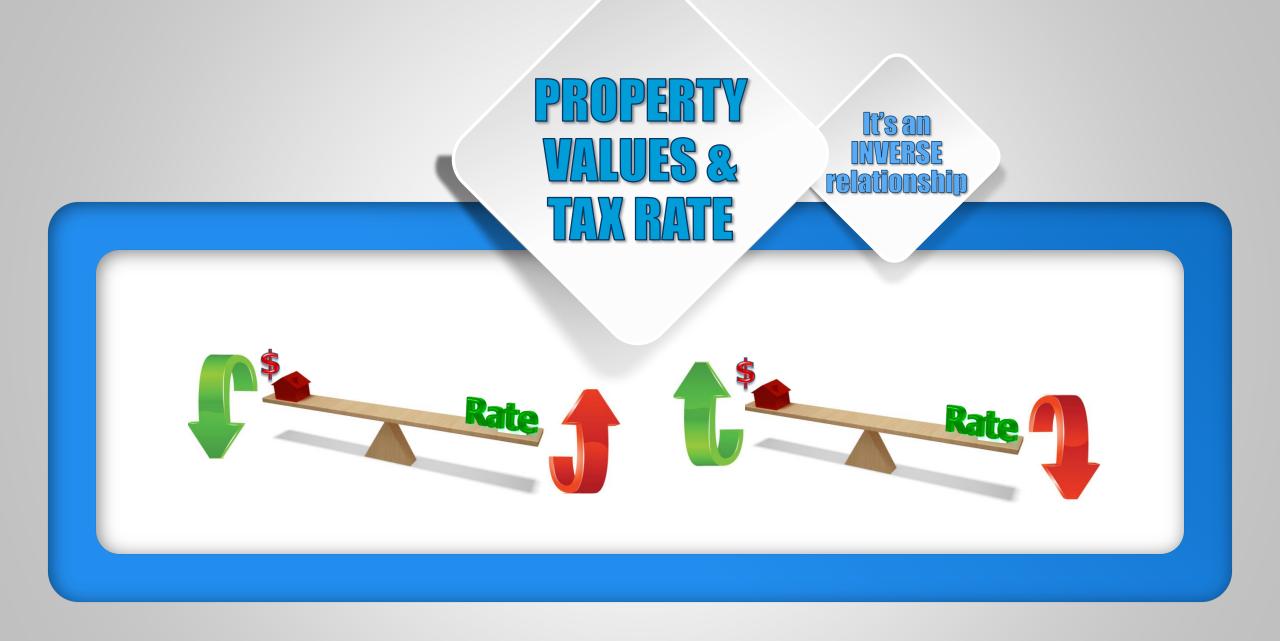

TOTAL

Current Year Taxes

The District submits a PROPOSED levy to the County

PROPOSED

VS

ESTIMATED

In order to ensure that we do not lose revenue relating to the "tax cap" formulas, we SAFEGUARD levy, or levy a larger amount than what will be received.

Capped Funds 2020=3.75%

ESTIMATED

The ESTIMATED tax extension increase is limited by the "Tax Cap" formula.

**Capped Funds 2020=2.97%** 

# SAFEGUARD BENEFITS

#### **EAV VARIANCE**

If there is variance in the EAV from what has been estimated, the use of a 0.75% Safeguard will provide for flexibility in redistributing funds should an individual fund rate limit be reached.

# NEW PROPERTY VARIANCE

If New Property is higher than estimated, the use of a 0.75% Safeguard will provide for the levy to collect these new tax dollars and for the receipts to be allocated to the identified funds.

2020 Tax Levy Design uses an estimate of \$10,000,000 in New Property A 0.75% Safeguard would capture all revenue of up to \$21,475,000 in New Property

# OVERVIEW & CONCLUSION

## NEW \$

The District is expected to receive about 2.97% in new revenue for the general operating funds (our capped extension) or a total of \$2,785,958.

## TOTAL \$

Total taxes to be extended are estimated at \$91,298,160 which would represent an overall estimated increase of 2.2%.

### **PROCESS**

- The next step in the levy process will be for the final proposed levy to be approved by the Board on Nov. 16<sup>th</sup> and then filed with the county clerk's office.
- Our final allocation work comes in late March/early April when the county clerk calculates the final amounts to be extended.
