II. BACKGROUND INFORMATION (DOCUMENTATION):

Students are tracked and were provided remediation/tutoring during the school day and after school, in addition to several Saturday sessions. TAKS is still an operational accountability system for any student who enrolled in grade 9 during the 2010-2011 school year or earlier. Those students who have an opportunity to graduate in June of 2014 and are currently enrolled in grade 11 or 12 were retested.

Increase TAKS passing rates in all subjects.

None needed for testing administration, campus and district instructional funds were used to cover remediation costs of hiring tutors/teachers.

Re: October 2013 TAKS Exit Level Retests Results

The attached chart represents the results of the October 2013 TAKS Exit Level Retests for South San Antonio High School. The retests were administered October 21-24, 2013.

These results are official and were posted by the Texas Education Agency (TEA) on November 21, 2013. Copies of the Confidential Campus Rosters and Summary Reports have been provided to South San Antonio High School and to the Office of the Superintendent.

South San Antonio High School personnel have notified students of their results. Those students who only needed a TAKS test for graduation and passed during this retests administration will be awarded a diploma as part of the class of 2014.

If you have any questions, please contact me through the Office of the Superintendent. Thank you.
