BACKGROUND:

The School Nutrition Association annually celebrates School Lunch Hero Day on the first Friday of the month of May. This year, Brownsville ISD recognized our School Lunch Heroes on Friday, May 3, 2024.

This recognition is especially important to express the most profound appreciation to these valuable employees and commend their excellent work on student’s behalf.

Between preparing delicious food, adhering to strict nutrition standards, navigating student food allergies, and offering service with a smile, BISD nutrition professionals have a lot on their plate. To celebrate their hard work and commitment, BISD schools celebrated National school Lunch Hero Day on May 3, 2024.

This day, celebrated annually since 2013, provides an opportunity for parents, students, school staff and communities to thank the hardworking individuals who provide healthy meals to BISD students each day and their dedication to fueling our students for success.
