- All scholarship applications are turned into the QHS office, and will be turned into the organization.
- Some scholarships will be decided by a committee at the high school (Mr. James and 2-3 teachers from the site-base committee).

Senior Meetings – Mrs. Fambrough met one on one with each Senior last month to review transcript, graduation plan, ensure college applications were complete or in the process of being completed. Each senior student received a folder with a Senior To-Do list, specific for that student of “things to still complete.” In the folder was also a copy of the student’s transcript, TEA Graduation toolkit packet.
