In April, eleventh and twelfth graders who had already taken or were eligible to take the exit (11<sup>th</sup> grade) level TAKS test were retested. The chart below shows the results for Beeville ISD.

<b>Grade Level and Test</b>	<b>Number Tested</b>	<b>Number Met Standard (Passed)</b>	<b>Number Who Did Not Meet Standard</b>

12 <sup>th</sup> Grade Mathematics	5	0	6 (one was absent for the test)

These numbers represent 10 twelfth graders and 5 eleventh graders who have one or more sections of the test to pass. The students classified as eleventh graders are making up credits and had planned to graduation on May 27, 2005. None of these students will graduate on May 27, 2005. The next re-test for the TAKS is in July.
