

### PRINCIPAL'S MESSAGE

By Casey Alderson, Principal

#### Welcome to 2014!

Cougar Nation is halfway through the 2013-14 school year! The second half of the school year will be a busy one, so buckle up and hold on!

IVHS mailed home Progress Reports on January 30th, so please be on the lookout for them.

We will follow up the Progress Reports with conferences on February 6th and 7th.

On February 6th, conferences will be in the afternoon from 5:00 PM to 7:00 PM.

On Friday the 7th, there will be no school for students, and conferences will be from 7:45 AM to 12:00 Noon, and 12:30 PM to 3:45 PM.

Please make sure you are able to attend either of the days to work with teachers to assure your students achieve success and reach their potential. If your student is receiving failing grades, an Illinois Valley High School class advocate will be

contacting you to schedule times with teachers.

Illinois Valley High School, along with Three Rivers School District, will be soliciting parent and student input on a schedule change for the 2014-15 school year. We are gathering information currently on what changes will be made and a survey will be available at conferences for parents to take regarding priorities for building a new schedule. Please attend and let your voices be heard!

Have a great day!

Casey Alderson

### COMMUNICATIONS: SYNERVOICE—AUTOMATED VOICE MESSAGING & ATTENDANCE NOTIFICATIONS

We will use **Synervoice** to send out important messages about school closures and school events. When you get a call from the school using **Synervoice**, it is important that you say "Hello" as this triggers the message. If you have voicemail, it will leave a message. If you have email registered with the school, we will often send emails as well.

At this time, our Attendance Clerk, Mary Paul, personally follows up on absences on a daily basis. If your student missed all or part of school, please call the school the next morning to clear your student's absences. The number is 541-592-2116; ask for the attendance office. You may also send Ms. Paul an email to verify or excuse an absence or tardy at [mary.paul@threerivers.k12.or.us](mailto:mary.paul@threerivers.k12.or.us). It is very important for you and your student to have these absences cleared. Students end up doing lunch detentions for un-cleared absences.

January 2014

To Whom It May Concern:

This letter is sent to you on behalf of the Illinois Valley High School graduating class of 2014. Graduation is rapidly approaching and we are seeking the help of our community in order to make the Safe & Sober Grad Night 2014 a successful event.

To give a little background information the Safe & Sober Grad Night event is not a "school" function, however it is held at Illinois Valley High School from 10:00p.m. to 5:00a.m. on graduation night, this year being June 4<sup>th</sup>. There is a Senior Grad Night committee that organizes and raises funds that host the evening's events. We are actively seeking additional volunteers.

On the night of the event the Commons and gymnasium are used to host various activities such as having a DJ available, photo booth, ping pong, etc. for the senior students and free food and beverages are made available through-out the evening. There is also a raffle for those participating seniors and the prizes consist of great items that are very valuable to young adults and college seekers i.e. microwaves, bedding, reading lights, laundry hampers, gift cards to Wal-Mart, and Staples just to name a few. This event is a great way for the students to reminisce with their friends one last time before their new journey begins and most importantly to be able to celebrate their accomplishments in a SAFE and SOBER environment!

We realize that our local businesses get hit hard through-out the year with various groups asking for donations; however without your support we would not be able to fund this important event. There are several ways that you could lend your support. If interested please complete the bottom portion of this letter and return to the address listed above.

---

I would like to be a part of the Senior Grad Night 2014 committee.

I would like to make a monetary donation. Please make checks payable to IVHS and note that the money is to go toward the Safe & Sober Grad Night 2014.

I would like to help set up for the Safe & Sober Grad Night 2014.

## PARENT & STUDENT RESOURCES

### YEAR-ROUND ON-LINE STUDY RESOURCES AVAILABLE

On-Line support to help your student keep the skills learned, in shape. Like exercising your muscles on a daily or weekly basis, so too does the brain need its physical activity. The following web sites are provided to assist.

#### My student doesn't understand their homework . . . now what?

We have all been in the situation where our students don't understand the homework and we are trying to dust off the files in our head to remember how to do that math problem or remember what happened in this historic battle. It can be frustrating for both the student and the parent to get through the homework. In today's world full of technology students have numerous resources available to help them re-learn the concepts. The following are just three of the many sites available.

#### Khan Academy – [www.khanacademy.org](http://www.khanacademy.org)

This website has over 4,000 videos on subjects from geometry to chemistry to computer science. This is a great tool that actually re-teaches the material step by step. Many times hearing the concept explained by someone else makes that light bulb turn on and the student understands. Interactive practice is also available to solidify the concepts.

Sophia – [www.sophia.org](http://www.sophia.org) Video clips are also available at Sophia, but there is also much more. Over 28,000 tutorials including slideshows and screencasts are available anytime. The site also tailors the information according to the student's learning style, which is determined through a short quiz.

Quizlet – [www.quizlet.com](http://www.quizlet.com) This is a great study tool. There are thousands of flash cards & quizzes on the site developed by students and teachers from around the world in nearly every subject you can think of. Students can use an already created tool or create one of their own to challenge themselves and others in their class. This is a great vocabulary tool.

We hope you will find these resources helpful. If you would like more information or other ideas how to help your child at home please do not hesitate to contact the office.

**ODYSSEYWARE** is an on-line academic website which provides innovative, 21st century learning opportunities for our students.

*Three Rivers School District/Illinois Valley High School* uses this program for students outside of the regular classroom setting, and for students that need to do make up classes (Credit Recovery) to be eligible for graduation.

**ODYSSEYWARE (OW)** is web-based. If you have internet access, your student can access his/her assignments, which allows them the ability to complete the courses as fast as he/she needs to, whether they are in the classroom or at home.

To access the **ODYSSEYWARE** web site once your student has been registered, he/she will need to go to <https://3rivers.owschools.com>. From there, they will be able to login and access the courses that they are enrolled in.

## PROGRAM TO HELP HOMELESS STUDENTS AND FAMILIES

Dear Parents/Guardians,

I am Heather Merrell, the Family Advocate for Illinois Valley High School. The purpose of the Family Advocate is to help students overcome barriers to success. I will help students acquire jackets, clothes, school supplies, hygiene supplies, glasses, dental appointments, haircuts, etc. I will also advocate for students: For example, helping them get testing or counseling, acquiring birth certificates, arranging for extra tutoring and other related services.

In addition, there is a federal law called the **McKinney-Vento** which gives additional assistance to students that meet the federal definitions of "homeless" these include:

- Living in a home with no heat or running water
- Staying with friends or other relatives due to economic hardships or loss of housing
- Fleeing a domestic violence situation
- Living in a car, van, bus, tent or other non-permanent structure

Living in one of the above situations may also entitle a student to:

- Transportation to their home school should homelessness require a move
- Immediate enrollment, even if there are issues, such as not having in hand:
  - A birth certificate(s) for the child (ren)
  - Immunization forms

Please help me identify any students with specific needs that may be in your care. Do you have a student that may benefit from the services listed above? If so, please list the student's name and specific needs.

Needs school supplies/backpack: \_\_\_\_\_

Needs clothing/shoes: \_\_\_\_\_

**PROGRAMA PARA AYUDAR  
A LAS FAMILIAS Y ESTUDIANTES SIN HOGAR**

Estimados Padres / Tutores,

Soy Heather Merrell, la Defensora Familiar de Illinois Valley High School.

El propósito del partidario familiar es de ayudar a los estudiantes a superar las barreras hacia el éxito. Yo le ayudaré a los estudiantes a obtener chamarras, ropa, útiles escolares, artículos de higiene, citas con el dentista, cortes de pelo, etc. También le ayudaré a los estudiantes. Por ejemplo: Ayudarles en tener exámenes o consejos, obtener actas de nacimiento, programar ayuda extra con tutores y otros servicios relacionados.

Añadiendo, hay una ley federal llamada **Mckinney-Vento** que proporciona asistencia adicional a los estudiantes que reúnen las definiciones federales de "sin hogar" estas incluyen:

- Vivir en una casa sin calefacción o sin agua
- Hospedarse con amigos u otros parientes debido a la dificultad económica o pérdida de hogar
- Huyendo de una situación de violencia doméstica

Viviendo en un automovil, van, camión, casa de campaña o una estructura no permanente

- Transporte hacia su escuela en el hogar si estar sin hogar requiere movimiento
- Registro inmediato, aunque existan circunstancias, como no tener a la mano:
  - o Acta de nacimiento de su hijo(a).

Certificado de vacunas.

Por favor ayudenme a identificar a cualquier estudiante con necesidades específicas que estén a su cargo. Tiene usted algún estudiante que se pueda beneficiar de los servicios enlistados arriba? Si es así, haga una lista del estudiante con su nombre y necesidades específicas.

# THREE RIVERS SCHOOL DISTRICT

## INCLEMENT WEATHER PROCEDURES

If inclement weather exists, or is forecast to exist in our school district the feasibility of providing home-to-school transportation will be discussed between the First Student busing Manager and the Director of Transportation no later than 5:30 AM.

The Director of Transportation will recommend a course of action (delay the start of school(s), close school(s), or keep school(s) open) to the Superintendent.

**Utilizing the *Synrevoice* automated calling system, all staff, parents, substitute teachers and media will be notified of the decision. The calling system sends messages both by e-mails and telephone calls (*these calls could begin as early as 5:30 AM*).**

***Important note about the calling system:* It is voice activated, so the system must hear a voice when calling. This can be a live person answering the phone, your voice mail, or an answering machine. But it will not activate simply upon lifting the receiver on the phone and just listening without saying anything.**

**This is an automated system; an attempt to call back the identified number will not be successful. Please take the time to listen to any message left in its entirety.**

All closures and/or delays will also be posted on our District website.

If a two-hour delay is announced in a particular school or area, then school will start two hours later than the regularly scheduled time. All bus pick-up times will be two hours later than normal. School will conclude at its regular time.

You are also advised to tune in to radio stations KAJO, KLDR, KRWQ and KBOY and TV stations KOBI (5), KDRV (12) and KTVL (10) for updates and in the event you don't have phone or internet service.

Athletic activities, school events and other scheduled field trips could be canceled if inclement weather is a concern.

Sometimes weather conditions leave some roads blocked or unsafe to travel, but school is still being held. Under these circumstances "straight line routes" will be run. Please refer to the "Straight Line Bus Route" attachment for your attendance area for this information.

If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.

**It is very important that you keep the school informed of your current phone number and e-mail address to assure proper notification.**
