

**Resolution to transfer equipment between
the Tupelo Public School District and Itawamba Community College**

The Tupelo School District has found and determined that certain property is no longer needed for school district or related purposes and is not to be used in the operation of the schools of the district. The board has deemed this equipment surplus property and to be removed from the district inventory. The school board feels it is in the best interest of the school district to donate/transfer the equipment listed below to Itawamba Community College instead of selling by public auction. Therefore, the Tupelo School District will enter into a private treaty with Itawamba Community College to donate/transfer the following items for instructional purposes:

Description	Model Number	Serial Number	Value
Please see attachment for listing			

As a condition of this transfer, the Tupelo Public School District certifies that the hard drives of all technology devices have been completely wiped out of all information.

Tupelo Public School District, Board President

Date

Itawamba Community College, Dean of Career/Tech

Date
