Re: Approval of Consolidation District Plan 2026-27

The Curriculum and Special Education Departments have collaborated to prepare the Consolidation District Plan (CDP) application for the 2026-27 school year. The CDP allows grantees (districts) to answer one set of planning questions to meet the requirements for 12 federal formula grants through ISBE. It is a requirement that the Board of Education approve the Consolidated District Plan prior to it being submitted to ISBE for final approval. The draft application is attached for review.
