Falcon Kids Care Rates

Falcon Kids Care, our school-age care program, officially launched in the summer of 2020 following the COVID shutdown, when the district provided childcare for Tier 1 workers. Through collaboration with other program directors, we quickly developed our program structure, including scheduling, staffing, and rates.

Since then, the program has continued to grow to better meet the needs of both families and staff. Along with serving more students, the cost of operating the program has steadily increased. Because our rates have remained unchanged since 2020, we conducted a comparison with similarly sized districts and determined that an adjustment is necessary.

The proposed rate increases are as follows:

- Before School: \$10 (currently \$8)
- After School: \$15 (currently \$12)
- Full Day: \$40 (currently \$35)
- Half Day: \$30 (currently \$26)

Summer Program Planning

Summer programs are getting closed to be finalized! Online registration is open and we are working on sending home a summer packet in students' backpacks to take home. As always, we will be continuing to add more programs throughout the next few weeks and summer.

Preschool Student Placement

Preschool placements will be worked through in the coming weeks. When assigning students, we prioritize parent/guardian preferences, recognizing that families often select schedules that work best for their own needs. During enrollment,

The mission of Foley Community Education is to provide lifelong learning opportunities and experiences to community members of all ages.

parents/guardians indicate their 1st, 2nd, and 3rd choice options. We strive to accommodate the 1st and 2nd choices whenever possible. Additionally, placements are balanced based on factors such as class size, gender ratio, age, care needs, and behavioral and learning requirements. As usual, new registrations will be accepted until the start of the school year. Placement Timeline shared with families

- Online Registration Opens – March 3rd
- Registration Night at Foley Elementary School – March 3rd- 4:00-6:00 PM
- Staff Contact to Confirm Registration – Mid- April
- Early Class Placement Notification – Beginning of May (via email)
- Final Class Placement Notification – Beginning of August (via email)

Firearm Safety Training

Foley Community Education with the partnership of several DNR trained volunteer firearm safety instructors are provided another session of firearm safety training. Our class filled up once again with 75 students. A huge thank you to our instructors for providing this opportunity to our youth and community.

Foley Community Connect Expo

The 3rd Annual Foley Community Connect Expo was a great success. This event continues to highlight how local organizations come together to strengthen our community by providing resources that support individual and family well-being. It also plays an important role in raising awareness and improving access to essential services.

- 2026: 55 vendors, approximately 450 attendees, and around 350 breakfasts served
- 2025: 56 vendors, approximately 450 attendees, and around 320 breakfasts served

A huge thank you to the committee for their hard work, time, and dedication in bringing this event to life and making it such a success!
