Gifts, Grants Bequests and Memorials

The Superintendent of Schools shall be authorized to accept or decline, on behalf of the Board of Education, any gift of money and/or property, grants, bequests and memorials to the school system valued at \$1,000 or less and shall inform the Board of such gifts, grants, bequests and memorials. Contributions of gifts, equipment or services in excess of \$1,000 in value or that may involve major costs for installation or maintenance, or initial or continuing financial commitments from school funds, or special requests by donors shall be presented to the Board of Education for approval. Gifts, grants, bequests and memorials from the PTO, however, shall be brought to the Board at the discretion of the Superintendent.

Review and approval of gift, grants, bequests and memorials shall adhere to Board Policies [1313](#), [1324](#) and [7551](#) and the following guidelines:

1. Gifts, grants, bequests and memorials deemed eligible for acceptance may include money, services, programs, equipment, furniture, works of art, library materials and/or other items of value.
2. Anticipated gifts, grants, bequests and memorials shall not supplant Board of Education responsibility for educational funding, nor shall outside funding produce major educational inequities.
3. School staff and the educational program shall be safe-guarded against any inappropriate influence or constraints from individual or corporate donors because of their contributions to the school district.
4. Public recognition for received gifts, grants, bequests and memorials shall be appropriate and balanced.
5. Gifts and equipment contributed to the schools shall become the property of the Board of Education and subject to the same controls and regulations that govern the use of other district-owned property. All gifts and equipment become the sole property of the Board of Education and shall be used and expended at the Board of Education's discretion. The Board shall consider the special requests of donors before the acceptance of any gift and evaluate the donor's requests in light of the laws of this state, the policies and procedures of the school district, and the short and long-term interests of the district. The Board retains the prerogative of deciding how the donation shall be used and/or refusing any donation that requires major alterations to a physical plant, causes any future indebtedness, increases the Board's liability or any other considerations. At no time will the Board be responsible for maintenance and/or replacement of any accepted item.
