

The SHAC committee had Julie Wright from the Denton County Health Department give a presentation and provided the 2013 Mental Health Report for Denton County.

Topics included services available from MHMR (Mental Health Mental Retardation)

Cooks Children offers adolescent mental health

Universities have counseling centers with a number of visits free of charge

The SHAC committee also looked at the Safety Audit for 2012 - 2013 school year that was presented by Jason Massengale. We also revisited the assessment tools that were used in 2012 - 2013, which were Nutrition Services, Counseling, Psychological and Social Services, Health Promotion for Staff, Family & Community Involvement, and Health & Safety Policies & Environment for the new SHAC committee meetings. No action was taken. The next Module from the School Health Index will be to look at the Health Education section.
