**Call to Order**

The work session was called to order at 7:05 pm by Chairman Craig Miles; the flag was saluted. There was not a quorum. The purpose of the work session was to review board goals for 2006-07, and to discuss any possible changes to the newly adopted administrative regulation on Drug/Alcohol/Tobacco violations, and student body officers, etc..

After reviewing board goals, it was suggested by those present to keep the goals the same for 2006-07, but to wordsmith goal #2 dealing with participation in activities. The goals will be presented for adoption at the September 11<sup>th</sup> meeting.

Regarding the drug/alcohol/tobacco administrative regulations; it was felt by the high school principals that to treat ASB officers differently from the other students would be establishing a double standard, or setting them apart from the other kids. They felt that it is hard enough to consistently manage the schools without adding special groups to the mix of kids. The board members in attendance support the opinion of the high school principals and at this time, believe that nothing more should be added to the AR. Additional drug testing was also discussed.

Chairman Miles adjourned the work session at 7:35 p.m..
