Regarding Vina Chattin School

We propose to remove one back section from one Burnham V1111 boiler. We will install one new rear section. We will reinstall the existing piping and vent. We will fill and fire the boiler.

Job Total \$11,626.00

We propose the above specifications, for the dollar amount and payment schedule as follows:

Eleven Thousand Six Hundred Twenty Six 00/100----- \$11,626.00

50% upon purchase order and balance upon completion. Thank you.

All work will be completed in a workmanlike manner according to standard practices. Any alteration or deviation from the above specifications involving extra costs will be executed only upon written order, and will become an extra charge over and above the estimate. We shall not be liable for failure to perform caused by strikes, accidents, or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by workers' compensation insurance. Please note: No patching, painting, or insulating unless otherwise stated.
Any warranties of the products sold hereby are the warranties of the manufacturers of those products. The seller, Combustion Service Company, Inc. hereby expressly disclaims all warranties, express or implied,

including any implied warranty of merchantability or fitness for a particular purpose, and Combustion Service Company, Inc. neither assumes nor authorizes any person to assume for it any liability in connection with the sale of equipment. The buyer will be responsible for the cost of removing the defective part and installing its replacement and all labor and material connected therewith.
