Classified (4) – 77%

Upcoming Dates: April 5 – 3rd Quarter Awards

April 9 – Family Literature Night April 29-May 3 – SBAC testing

K-2 Classroom: J. Fenner

Greetings Ms. Fenner's classroom! We are all so excited about Spring and looking forward to warmer days. This past month we have been working hard in our classroom to increase our knowledge of the Scientific Method. We are currently observing slices of bread that we touched with dirty hands, sneezed on, coughed on, and even stepped on! I wanted the students to see a visual of how germs are spread and what happens when we spread our germs. The students observe and record data by drawing the changes in the bread and writing how many days has passed. At the end of the experiment they will make a graph using their data and write a conclusion. We also went on our 3rd Quarter MBI Good Behavior Bowling Trip. 100% of the Babb Elementary Students were referral free for 3rd Quarter!

3-6 Classroom: S. Weekes

March was full of activities for the 3-6 graders. Boys basketball was in full swing. Babb Mustangs were undefeated. On March 7, we had our snow shoe trip with the park service. It was a beautiful day and everyone had a great time. March 29, was our MBI 3rd quarter trip. We have been referral free all year. We went bowling in Browning and the kids had a blast. For the 3rd quarter, we had 1 student with perfect attendance and 8 students making Honor Roll. Also, for the winter Writing

Assessment, our class had 4 students with perfect scores. Good Job Students. 4^{th} grade students completed the CRT-Science with 100% attendance – we celebrated with cupcakes and ice cream. We are now preparing for the SBAC which will take place at the end of April.

ISIP

^{*}STUDENTS HAVE NOT BEEN ABLE TO ACCESS ISIP – THEY HAVE BEEN WORKING WITH ISIP AND EVERETT TO FIGURE OUT THE ISSUE

KYRA DUBRAY – 4TH GRADE 3RD QUARTER PERFECT ATTENDANCE

3RD QUARTER HONOR ROLL STUDENTS 3-6 Jude Juneau, Tegan Walker, Jack Billedeaux, Ariel McFadyean, Montana Gray, Karson Loring *Not pictured*: Jozee Flamand, Jozee Fitzgerald

K-2 Leprechaun Traps

3-6 Leprechaun Traps

Challenges:

• The students haven't been able to test on ISIP or access the SBAC Interims for a couple of weeks. Thankfully Everett Holm delivered IPADS to all the students and announced that they are the 3rd school (behind the high school and middle school) to receive 1/1 technology! THANK YOU SO MUCH EVERETT!! WE APPRECIATE YOU!
