SOU Best of the Best	April 14
Mathletes to SOU	April 18
SMILE club to Corvallis	April 18 ~ 20
FFA Dinner & Auction	April 25

## Mathlete Update

We are very proud of this year's Mathletes teams. After three meets, one of our teams is in 8th place out of 18 teams and our other team is in 12th place. During each meet, every member of both teams has scored points for their team with both Rory Forsythe-Elder and Aiden Gilkey among the top 18 students overall out of 119 students. Depending on their performance at our last meet on April 18th, they could potentially win scholarship money and bring home a ribbon for our school.

student Life!
