Campus Targeted Improvement Plan

Intervention and Submission documents for the 2019-2020 monitoring year may be found on the Division of School Improvement web page at https://tea.texas.gov/si/accountabilityinterventions/

Please complete all sections of the Cycles 1, 2, and 3 tabs <u>except</u>:

- Status of Metrics/Evidence Collections
- Necessary Adjustments/Next Steps
- Section V: Reflections and Planning for Next 90 Day Cycle

These sections will be filled out at the end of the 90 day cycle prior to the Division of School Improvement Progress Submission.

Feature/Tip	Explanation	Screenshot
Checkbox selection	Check boxes allow for selection of one or more response to a question. Place a check in the box next to all answers that apply.	Prioritized Focus Area 1 1 2 1 3
Expanding rows and/or columns	If you cannot see all of the information you've entered into a cell you may adjust the height of the cell by right-clicking and increasing the height of the row.	District leaders will create OK Cancel District leaders will create and implement a process that allows principals autonomy to change instructional leaders. 39 Eormat Cells Row Height Row Height District leaders will create and implement a process that allows principals autonomy to change instructional leaders. 39 Eormat Cells Row Height Hide Unhide
Viewing cell tips	Throughout the Improvement Plan there are cells containing notes or guidance around what should be entered into the cell. These cells are marked with a red triangle in the top-right corner. To view the information in the notes box, hover your mouse over the cell.	Annual Desired Outcome for Priority Focus Area Barriers to address Create your annual goal for each Priority Focus Area identified using qualitative and/or quantitative measures.

Printing the Template	The page breaks in the Improvement Plan have been set for optimal printing on a legal size (8.5 x 14) sheet of paper with the page orientation set to Landscape (horizontal). However, users may find that after completing the plan the page breaks need to be adjusted. To insert, move, or delete page breaks in an Excel worksheet, visit the Microsoft Office help page.	https://support.office.com/en-us/article/insert-move-or-delete-page-breaks-in-a-worksheet-ad3dc726-beec-4a4c-861f-ed640612bdc2

				Campus	Information				
District Name	Ector County ISD		CrockettMiddle School	Superintendent	Dr. Scott Muri	Principal	Maribel Aranda		
District Number	068901	Campus Number		District Coordinator of School Improvement (DCSI)	Dalia Benavides	ESC Support	Sha Hartzer		
				Ass	surances				
I, the District Coordinator of School Improvement, attest that I will provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for the implementation of all intervention requirements. If I am the principal supervisor, I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein. Dalia Benavides September 16, 2018									
Principal Supervisor (Only necessary if the DCSI is NOT the Principal supervisor)	I, as supervisor of the principal for this campus, attest that I will coordinate with the DCSI to provide or facilitate the provision of all the necessary district-level commitments and support mechanisms to ensure the principal I supervise can achieve successful implementation of the Targeted Improvement Plan for this campus. I understand I am responsible for ensuring the principal carries out the plan elements as indicated herein. Dalia Benavides September 16, 2018 Dalia Benavides September 16, 2018								
Principal	I, as principal for this campus, attest that I will coordinate with the DCSI (and my supervisor, if they are not the same person) to use the district-provided commitments and support mechanisms to ensure the successful implementation of the Targeted Improvement Plan for this campus. I agree to carry out the plan elements as indicated herein. Maribel Aranda September 16, 2019

		Cycle 1 90-day Outcomes (September - November)	
	Prioritized Focus Area #1	Prioritized Focus Area #2	Prioritized Focus Area #3
Essential Action	1.1 Develop campus instructional leaders with clear roles and responsibilities.	4.1 Curriculum and assessments aligned to TEKS with a year-long scope and sequence.	5.3 Data-driven instruction.
Desired Annual Outcome	The desired outcome is to create leadership capacity in campus leader in order to influence and execute systems. Also, train principal to become more versed and knowledgeable about curriculum and instruction.	The desired outcome is for teachers to increase their knowledge of the standards to improve the quality of lesson planning and instructional delivery.	The desired outcome is for leaders and teachers to preform the data driven instruction process during PLCs in order to become more knowledgeable about standards and skills required to increase teacher effectiveness and student academic growth.
Desired 90-day Outcome	The desired 90 day outcome is for campus leader to implement Relay coaching on their campus and implement data meetings consistently during PLCs.	The desired outcomes are to effectively teacher skills and concepts that will be assessed in order to align curriculum and assessment. Also improve the quality of lesson planning and direct teaching.	The desired outcomes are to train teachers and establish the DDI and PLC processes consistently and effectively.
Barriers to Address During this Cycle	Barriers include completing Relay training and establishing a monitoring system	The barriers include time constraints and quality of teaching staff.	The barriers include lack of substitutes available to cover classes and trying to protect the plann
District Actions for this Cycle	District action for this cycle includes providing and supporting Relay training and monitoring implementation on campus.	District actions include placing Instructional Specialists at campus level and providing district level instructional support for each content area.	District actions include continuous hiring of substitutes and teachers throughout the year and utilization of Instructional Specialist to lead DDI during PLCs.
District Commitments	If the campus develops effective instructional leadership with clear roles and resp	ponsibilities, and the campus established curriculum and assessments aligned to TEKS with year lo	ng scope and sequence, and develops capacity in teachers through data driven instruction, then

Theory of Action

If the campus develops effective instructional leadership with clear roles and responsibilities, and the campus established curriculum and assessments aligned to TEKS with year long scope and sequence, and develops capacity in teachers through data driven instruction, the students will show growth in their learning and show an increase in meeting STAAR standards.
