Consolidated Federal and State Grant Application Workshop (CFSGA)

I will be attending the CFSGA workshop in Boise on Tuesday April 28, 2026 and will begin working on our consolidated plan that outlines how we will spend our federal program dollars for the 2026-2027 school year. In addition to the budget, action plans are required for each program. The CFSGA is due June 30 which will be a quick turnaround from when we receive actual allocations.

2026-2027 Federal Programs Preliminary Allocations

I am anticipating having preliminary allocation numbers before our next board meeting in May. The federal allocations for the various programs remained somewhat stable or had slight decreases. The Idaho Department of Education will be diving into more specific information at the CFSGA Workshop this month.
