Administrator/Staff: C. Alderson

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Attending the Regional CTE Conference is part of our Perkins Grant and funding. This conference offers a comprehensive framework for organizing high-quality CTE programs and cultivating collaboration between secondary and postsecondary CTE, Career Clusters will be integrated across the sessions. The date is November 30-Dec 3rd 2016 in Las Vegas Nevada. This conference will offer a series of sessions to help you increase student engagement, achievement and transition rates, and improve your outcomes on federal and state indicators.

Provide history/background information on your proposal:

This conference is paid for through Perkins and SOESD. The VISION CTE/STEM conference is an annual conference with presenters from across the west region. The agenda has specific presentations to TRSD issues and classrooms and I will be able to bring those back to our teachers in a followup conference

List the advantages of your proposal:

The knowledge gained will be shared with our CTE/STEM teachers in a followup professional development training and travel costs are covered by CTE and Perkins funding. Estimated cost to TRSD is <\$175.

List possible disadvantages of your proposal:

It is out of state

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

As there is no Oregon CTE Conference, the only alternative would be not taking advantage of the opportunity and not attending.
