

Discussion Item

v

Date: May 4, 2026

Division: Student Services

Subject: Hazardous Traffic Conditions and Areas for the 2026-27 School Year

Background Information:

- Each year, LISD administration brings forth hazardous routes to provide the safest routes possible for families and students as they travel to school on our transportation.

Administrative Consideration:

- LISD administration will bring forward the Hazardous Routes for approval at the May 11th meeting.
