The kinds of assistance sought from consultants may include, but will not necessarily be limited to 1) conducting fact-finding studies, surveys, and research; 2) providing counsel or services requiring special expertise; and 3) assisting the Board in developing policy and program recommendations. **SCHOOL BOARD MEETINGS**

The Board shall determine, at least annually in a public meeting, what notice for a public meeting is reasonable when applied to the School District.

The Board shall transact all business at official meetings of the Board. These may be either regular, special, or emergency meetings, defined as follows:

Regular meeting - a meeting of the members of a local school board at which at least a quorum is present, about which notice has been published, and at which normal school district business is transacted.

Special meeting - an official legal-action meeting called between scheduled regular meetings to consider only specifically identified topics.

Emergency meeting - an official legal-action meeting called due to unforeseen circumstances that, if not addressed immediately by the public body, will likely result in injury or damage to persons or property or substantial financial loss to the public body.

A local school board shall hold at least one (1) regular meeting each month of the calendar year.

Every meeting of the Board, regular, special or emergency, shall be open to the public except for an executive session that is held in accordance with state law. A "meeting" is defined as the gathering of a quorum of members of a public body to propose or take legal action, including any deliberations with respect to such action, that has been properly noticed, pursuant to law.

**Regular Board Meetings**

The second Tuesday of each calendar month is designated as the regular Board meeting date.

A regular meeting may be rescheduled by agreement of a majority of the Board.

Written notice of the date, hour, place, and subject (agenda) of each regular meeting of the Board shall be given as follows:

Notice shall be posted at least ten (10) days preceding the scheduled time of the meeting, with the exception of an actual emergency, in which case such notice as is appropriate to the circumstances shall be given.

Notice shall be posted in prominent places, convenient to the public, and available for reading at all time during the posting.

The notice shall include an agenda or information as to when and where an agenda can be obtained at least seventy-two (72) hours prior to the meeting and posted on the District's web site, if one is available.

Every regular meeting of the Board shall be open to the public to listen and observe the actions of the Board.

### **Special Board Meetings**

Special meetings may be called whenever deemed necessary by the Board President or when requested by a majority of the Board. Written or telephoned notice of all special meetings shall be given to the members of the Board, and written notice shall be posted, at least three (3) days prior to the time stated for the meeting to convene. The notice shall include an agenda or information as to when and where an agenda can be obtained. The agenda shall be made available to the public at least seventy-two (72) hours prior to the special meeting and posted on the District's web site, if one is available. The Superintendent's office shall transmit copies of the written notice to those broadcast stations licensed by the federal communications commission (FCC) and newspapers of general circulation that have made written requests for notice of public meetings. No business other than the matters specified in the notice shall be transacted at such meeting.

Special meetings shall be open to the public to listen and observe the actions of the Board.

### **Emergency Meetings**

An "emergency" refers to unforeseen circumstances that, if not addressed immediately by the public body, will likely result in injury or damage to persons or property or substantial financial loss to the public body.

An emergency meeting may be called as necessary. The normal notice and posting of an agenda along with the requirement of discussing only agenda items is not required when the Board declares an emergency in accord with the statutory definition, but notice twenty-four (24) hours prior to the meeting is expected unless the emergency precludes such notice. The District must, within ten days of taking action on an emergency matter, report to the attorney general's office the action taken and the circumstances creating the emergency. The requirement to report to the attorney general is waived upon the declaration of a state or national emergency.

\*\*\*

In addition to the information specified above, all notices shall include the following language.

"If you are an individual with a disability who is in need of a reader, amplifier, qualified sign language interpreter, or any other form of auxiliary aid or service to attend or participate in the hearing or meeting, please contact the Superintendent of schools, at least one week prior to the meeting or as soon as possible. Public documents, including the agenda and minutes, can be provided in various accessible formats. Please contact the Superintendent's Office, if a summary or other type of accessible format is needed."

**AGENDA**

**(Consent Agenda Items)**

The agenda of each regular Board meeting may contain a consent agenda.

Consent agenda items will be determined by the Superintendent following discussion with the Board President at the time agendas are prepared for the regular meetings of the Board. Consent agenda items are acted upon as a group with one motion and second for all identified items. Items to be included on the consent agenda will be listed on the agenda in the normal manner; however, they will be identified with an asterisk (\*). All backup material relating to any consent agenda items will be included in the Board's agenda packet.

Consent agenda items may be removed from consent status by any member of the Board before the regular Board meeting or at the time of adoption of the agenda. When so removed they are to be acted upon just as other agenda items.

**^B-1750© BEDBA**

**AGENDA PREPARATION AND DISSEMINATION**

**Regular Meetings**

The Superintendent will prepare Board meeting agendas in consultation with the Board President.

The Superintendent or Board members may place items on the agenda. Any Board member desiring to place an item on the agenda will notify the Superintendent of the particular item of business at least five (5) central office working days before the meeting agenda is finalized (at least eight [8] days prior to the meeting). Inclusion on the next agenda will depend upon the amount of time necessary to provide information to the Board for deliberation and decision making. The Superintendent will make this decision in consultation with the Board President.

The agenda and supporting materials shall be distributed to the Board members not less than seventy-two (72) hours prior to the meeting.

Meeting notices shall include the date, time and place of the meeting and an agenda containing a list of specific items of business to be discussed or transacted at the meeting or information on how the public may obtain a copy of such an agenda. Except in the case of an emergency, the agenda shall be available to the public at least seventy-two (72) hours prior to the meeting. Reasonable public notice of a meeting shall be by a notice given at least ten (10) days before a scheduled meeting and distributed to broadcast stations licensed by the federal communications commission (FCC) and newspapers of general circulation that have provided a written request for such notice.

### **Special Meetings**

The procedures for agenda preparation and dissemination used for regular meetings will be used for special meetings.

### **Emergency Meetings**

Agenda preparation for an emergency meeting shall be as appropriate for the circumstances, since normal notice of an agenda along with the requirement of discussing only agenda items is not required when the Board declares an emergency in accord with the statutory definition. Notice of the meeting being held twenty-four (24) hours prior to the meeting is expected unless the emergency precludes such notice.

A quorum consisting of a majority of the Board membership shall be necessary to conduct any business.

The Board may allow a member to participate in the business of the Board using a device configured in a manner that conversations from all participants can be heard on both ends of the deliberations, when it is otherwise difficult or impossible for the member to attend the meeting in person.

### **RULES OF ORDER**

The Board prescribes rules for its meetings as follows:

It shall hold a regular meeting at least once each month during the year and may hold other meetings as often as called.

Each action item shall require a motion, and all motions shall require seconding.

The President may make or second motions, and may vote on all motions.

A motion to adjourn is in order at any time. Such a motion shall require a second and a majority vote. No discussion is in order.

A motion to table is in order at any time. Such a motion requires a second and is limited to being considered only once on any given agenda item. No discussion is in order.

The Board's action should result from a decision on the merits rather than a manipulation of the procedural rules.

Rules of order may be subject to suspension only upon a majority vote of the members of the Board present at a meeting.

In matters not covered by these rules and those referenced below the president may consult a manual on parliamentary procedure for small organizations.

**RULES OF ORDER**

The basic concept upon which rules of procedure are built is the concept of relationship of motions, called the order of precedence. The order of precedence tells a member of the Board two (2) things: when a motion is in order and in what order to vote on pending motions.

**Chart of Motion Precedence**

<b>Motion</b>	<b>Debatable</b>	<b>Amendable</b>	<b>Vote Required</b>
10. Adjourn	No	No	Majority
9. Recess	No	Yes	Majority
8. Lay on the Table	No	No	Majority
7. Close Debate	No	No	2/3
6. Postpone Definitely	Yes	Yes	Majority
5. Refer for further Study	Yes	Yes	Majority
4. Amend the Amendment	Yes	No	Majority

3. Amend or Substitute	Yes	Yes	Majority
2. Postpone Indefinitely	Yes	No	Majority
1. Main Motion (Resolution)	Yes	Yes	Majority
Reconsider	Yes	No	Majority
Rescind	Yes	Yes	Majority (with notice)
Take from the Table	No	No	Majority

All of the above motions require a second.

<b>Motions Dealing with the General Conduct of the Meeting</b>			
<b>No Order of Precedence</b>			
Point of Order	No	No	None
Parliamentary Inquiry	No	No	None
Appeal from the Decision of the President*	Yes	No	Majority
Suspend the Rules*	No	No	2/3
Withdraw or Modify a Motion	No	No	Majority

\* Only the asterisked motions above require a second to the motion.

An example is given below. Refer to the list of motions shown in the simplified chart of motions for the order of precedence.

*Scenario 1* - A main motion is pending. The *order of precedence* tells a member that it is in order to move to amend the main motion because the motion to amend is higher in rank (#3) than the main motion (#1).

*Scenario 2* – If the main motion and motion to amend are pending, the *order of precedence* tells a member that a motion to postpone definitely is in order because it is higher in the order of precedence (#6) than the motion to amend (#3).

On the other hand, a motion to postpone indefinitely is not in order because the motion is # 2 in the *order of precedence*, and the motion on the floor is a *higher precedent* (#3).

**B-2050 © BEDF**

**VOTING METHOD**

Votes on all motions and resolutions shall be by a voice or roll-call vote and the vote of members shall be recorded. No secret ballots shall be used.

Each member of the Board shall have one (1) vote and a proposal shall pass by the affirmative vote of a majority of the members present at the meeting.

**MINUTES**

Minutes shall be kept of all regular and special Board meetings. Draft copies of minutes of each Board meeting will be available for public review in the District administrative office ten (10) working days after the date of the meeting. The Board will take action at a subsequent meeting to amend and/or approve these minutes.

The minutes of the Board of Education shall include:

The date, place and classification of the meeting (regular, special, etc.).

Record of the roll call of Board members.

A notation of the presence or absence of the Superintendent.

A record of each motion placed before the Board, the member making the motion and the member seconding it (if any), the declaration of the person presiding as to whether the motion passed or failed and the name of each person voting "aye" or "nay," or abstaining on other than unanimous votes.

All reports, resolutions, agreements and other written documents which require Board action may be made part of the minutes by reference only, but shall be kept on file as part of the permanent record.

A "draft" copy of the minutes will be made available for public inspection within ten (10) working days of the meeting and should clearly indicate that they are "not official." Minutes become official when approved by the Board.

Minutes shall be permanently filed and kept in the Superintendent's office after approval by the Board. They shall be kept for inspection by any citizen at any time the Superintendent's office is open during regular business hours. The minutes shall not be removed from the Superintendent's office.

**Summary of the Minutes**

On or before the tenth (10th) day of each month the Superintendent shall prepare a summary of the minutes of all meetings held by the Board during the preceding calendar month, such summary shall contain a full and correct account of all business transacted, showing all matters presented, the action taken thereon, or other disposition thereof. A statement of all moneys received during the preceding calendar month shall be prepared showing the source and the amount received from each source with a detailed statement of all expenditures made during such preceding calendar month, including a list of all warrants issued, to whom issued, the amount of each warrant and the purpose for which the warrant was issued.

**PUBLIC PARTICIPATION AT BOARD MEETINGS**

All regular and special meetings of the Board shall be open to the public.

The Board invites the viewpoints of citizens throughout the District, and considers the responsible presentation of these viewpoints vital to the efficient operation of the District. The Board also recognizes its responsibility for the proper governance of the schools and therefore the need to conduct its business in an orderly and efficient manner. The Board therefore establishes the following procedures to receive input from citizens of the District:

Any individual desiring to address the Board shall complete a form (Request to Address Board) and give this form to the Superintendent prior to the start of the Board meeting. Requests to Address the Board must relate to school district operations. The Public Comment is not a forum for discussions related to personnel issues, pending litigation, or individually identified students.

The Board President shall be responsible for recognizing speakers, maintaining proper order, and adhering to a time limit of thirty (30) minutes for all presentations and a maximum of three (3) minutes per speaker. In order to ensure that each individual has an opportunity to address the Board, the President may also set a time limit of less than three (3) minutes for individual speakers based upon the length of the comment period and number of requests received.

Members of the public or invited guests may be recognized by the President to assist the Board with information for the conduct of its official business.

Personal attacks upon Board members, staff personnel, or other persons in attendance or absent by individuals who address the Board are discouraged. Presenters are cautioned that statements or representations concerning others that convey an unjustly unfavorable impression may subject the presenter to civil action for defamation. Policies KE, KEB, KEC, and KED are provided by the Board for disposition of legitimate complaints, including those involving individuals.

A careful and orderly process shall be used in examining such proposals. The policy proposals shall be referred to the administration for detailed study prior to recommendation(s) being provided to the Board. The Board may take action in accordance with Policy BGB after hearing the Superintendent's recommendations.

First meeting - the proposal shall be presented for review.

Second meeting - the proposal shall be presented for discussion and action.

In an effort to keep its written policies up to date so they may be used consistently as a basis for Board action and administrative decision, the Board authorizes the Superintendent to seek consulting assistance from a source that provides such services. The District shall rely on the consulting service in conjunction with the functioning of the District as indicated by reactions of the school staff, the students, and the community to provide insight into the effect of the policies it has adopted. The Superintendent shall develop procedures to permit the District to utilize the policy consulting service in a manner that assures maximization of the District's return on its investment in the service.

The Superintendent is responsible for calling to the Board's attention policies that are out of date or in need of revision.

#### **POLICY REVISION AND REVIEW**

The District is a subscriber to the Policy Services Program of the New Mexico School Boards Association (NMSBA). This service will assist the District in the amendment of District policies or in the adoption of new policies originated by the District.

The procedure listed below will be followed to ensure the expeditious review and consideration of policy updates received from the NMSBA Policy Services Program and all newly proposed policies:

A master file of policy updates (Policy Services Advisories) will be kept by the Superintendent.

Upon receipt, a copy of each update will be forwarded to the appropriate member(s) of the Superintendent's staff.

The designated staff member may review and evaluate the update and recommend action to the Superintendent, including any proposed changes needed to adapt the update to specific circumstances within the District.

If changes or new policies are recommended, the Superintendent will send a copy of the update to NMSBA Policy Services for review or contact NMSBA Policy Services by phone to discuss the proposed changes.

Following review by NMSBA Policy Services, the updated policy or any newly proposed policies will be placed on the Board agenda for a first review by the Board.

Following the first review, if any proposals are made for further changes, such changes will be sent to NMSBA Policy Services for review or discussed with them by phone.

If no changes are proposed, or after any such proposed changes have been reviewed by NMSBA Policy Services, the updated policy will be placed on the Board agenda a second time for action by the Board.

Following adoption by the Board, the Superintendent will send a copy of the adopted policy and the date of adoption to NMSBA Policy Services.

NMSBA Policy Services will produce the final adopted copy of the policy and return the final copy to the District.

The Superintendent will reproduce sufficient copies of the new policy, as received from NMSBA Policy Services, and forward a copy to each person who is assigned a printed policy manual, with instructions as to how it is to be incorporated into the print copy of the policy manual.

**SUSPENSION / REPEAL OF POLICY**

The operation of any section or sections of Board policies not established and required by law or vested by contract may be temporarily or permanently suspended by a majority vote of Board members present at a regular or special meeting. An action under this policy would not require the two (2) presentations indicated in Policy BGB (Policy Adoption) to reinstate a suspended policy.

**BOARD COMMUNICATIONS WITH STAFF MEMBERS**

Official communication between the Board and employees will occur as follows:

An employee will first communicate on school- or employment-related matters at the administrative level. Any employee who exhausts the opportunity of discussing a matter at the various administrative levels may then communicate in writing with the Board on the matter. No anonymous communication will be considered by the Board.

Official communications, policies, directives, Board concerns, and Board action(s), as appropriate, will be communicated to employees by the Superintendent.

The Board requires all employees to follow the proper channels of authority in reporting or attempting to resolve problems. It is considered to be insubordination whenever an employee knowingly circumvents the proper "chain of command."

Whenever an employee has a complaint, knowledge of wrongdoing in the workplace, a problem which requires administrative attention or information pertaining to their job assignment or location, they must follow the chain of command in reporting to their supervisor.

No supervisor is to retaliate against any employee who follows this policy and is acting in "good faith."
