

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomingdale, Illinois**

Regular Meeting March 27, 2023

FOR ACTION

Subject: Approval of Intergovernmental Agreement with the DuPage State's Attorney's Office and the DuPage Regional Office of Education.

Earlier this school year, DuPage school districts were brought together to try to establish a common language between schools and law enforcement to be used in crisis events, should they happen. This led to the development of many changes, including the attached intergovernmental agreement. The IGA provides for the development and implementation of crisis management training and response programs, with several key elements:

- The initial cost of participation is \$250 per school year with a cap of \$400 per year.
- A participant's decision to provide assistance in response to a request from another participant is discretionary and voluntary on a case-by-case basis.
- The IGA will be administered by the Regional Superintendent, with assistance from an advisory panel of superintendents and the State's Attorney's office, at no cost to the participants except for the annual fee.
- Each participant will provide its own insurance and will be responsible for the cost of its staff, facilities and equipment involved in providing assistance, but will not be liable to other participants.
- Withdrawal from the IGA is permitted on at least 60 days' notice effective at the end of any school year.
- The IGA does not replace or limit a participant's crisis management agreements with local police, fire or other agencies.
- A participant's staff members are not permitted to act as first responders.
- The IGA will become effective when at least 10 Boards of Education/Cooperatives approve the IGA
