Summary:

The first Community Collaboration Event was held October 2 at 6:00 PM.

The night included an address from Dr. Kristine Wehrkamp Herman and a presentation of our new Anatmage table by Ellie Gullicks and Principal Doran.

A video has been created by Hastings Community TV to explain the benefits and opportunities for our students created by this cutting edge technology. Please check that out HERE.

One more moment of thanks for the **Ruth and George Doffing Charitable Fund** for helping to make this a reality for our students!
