PREVIOUS BOARD ACTION:

For the 2009 Trustee Election, the Board approved a Contract and Joint Election Resolution between the Denton Independent School District and:

Denton County – February 10, 2009

City of Denton – January 13, 2009

City of Corinth – January 13, 2009

BACKGROUND INFORMATION:

Information was presented during the February 9, 2010 Board meeting.

SIGNIFICANT ISSUES:

- 1) Beginning with the May 8, 2010 trustee election, Denton County will begin offering a Joint Election Agreement and Full Service Contract to all political subdivisions that are within the boundaries of Denton County. This will eliminate the need to contract with the City of Denton and the City of Corinth.
- 2) House Bill 2524 created the need to conduct criminal background checks on all employees that test, perform maintenance, transport equipment or perform technical support on the voting system. The criminal background checks will be performed by Denton County.
- 3) Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by each participating city.
- 4) Any qualified voter of the joint election may vote early by personal appearance at any of the Denton County early voting locations. All early voting will be conducted exclusively on Denton County's eSlate electronic voting system.
- 5) Denton County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location per the joint election agreement and does not require additional approval. Denton County shall make emergency appointments of election officials as necessary.
- 6) Participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

FISCAL IMPLICATIONS:

- 1) Participating authorities agree to share the costs of administering the Joint Election.
- 2) Costs for polling places shared by more than one participating authority shall be pro-rated among the participants utilizing that polling place.
- 3) If a participating authority of the Joint Election Agreement wishes to use both paper and electronic ballots on Election Day, the full cost of the paper ballot will be up to that participating authority at each polling location that is shared with other participating authorities that don't wish to have both paper and electronic.

BENEFIT OF ACTION:

The District may proceed with the required notifications for the 2009 Board of Trustees Election.

PROCEDURAL AND REPORTING IMPLICATIONS:

The federal Voting Rights Act of 1965 requires that any change in any “standard, practice, or procedure with respect to voting” must be submitted to the U.S. Department of Justice for preclearance. Changes in election precincts, polling places, and various other actions require preclearance. The preclearance process will be conducted by Denton County,
