**Shelly,**

**I would like to apply for an equipment grant the the School Nutrition Foundation.**

#### About the Program

##### About the Program

The School Nutrition Foundation (SNF) and Winston Industries are committed to school foodservice. Now in its third year, the Winston Industries Equipment Award Grant program will award equipment to one (1) school district in need of improving its school meal kitchen facilities through a competitive grant process.

Applications will be reviewed looking at need, impact of new equipment on school foodservice program and proposed plan to integrate new equipment into operations.

Equipment received from this award will consist of 10 pieces of equipment from Winston Industries which may include items such as holding cabinets, holding drawers, steamers, cook and holds, therm and holds.

For more information on what equipment pieces are available, please visit:  
<http://www.winstonind.com/schools/index.aspx#app>

The pieces are representative of the equipment available for the program. Winston Industries will work closely with the Equipment Award Grant winner to determine its needs to select equipment and arrange delivery of the equipment to the district.
