

## Governing Board Agenda Item

---

Meeting Date: December 12, 2024 Agenda Item No: J.3

From: Mark Goligoski, Assistant Superintendent

Subject: Additional Van Driver (End of Year)

Strategic Priority: To recruit, retain, and support highly effective staff, teachers and leaders

Consent  Action  Discussion

---

### Background:

Due to the continued growth in the number of McKinney-Vento and special needs students, we are requesting the addition of one special needs van driver for the remainder of the 2024-2025 school year. The Transportation Department currently has eleven vans dedicated to serving these students. Seven of the routes are driven by permanent van drivers and the other four are driven by properly trained bus attendants. Adding an eighth driver for the remainder of the school year will allow us to move an appropriately trained bus attendant into the position and then hire a bus attendant to fill the vacant position.

The total cost to cover the salary and benefits of the additional van driver for the remainder of FY2025 is \$19,485.86. These costs will be covered by the Maintenance and Operations budget.

### Recommended Motion:

I move that the Governing Board approve the addition of one special needs van driver for the remainder of the 2024-2025 school year effective December 13, 2024.

Approved for transmittal to the Governing Board:

  
Dr. Daniel Streeter, Superintendent
