

601 SCHOOL DISTRICT CURRICULUM AND INSTRUCTION GOALS

[Note: Minnesota Statutes, section 120B.11 requires school districts to adopt a comprehensive long-term strategic plan that addresses the review of curriculum, instruction, student achievement, and assessment.]

I. PURPOSE

The purpose of this policy is to establish broad curriculum parameters for the school district that encompass the Minnesota Academic Standards and federal law and are aligned with comprehensive achievement and civic readiness.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is to strive for comprehensive achievement and civic readiness in which all learning in the school district should be directed and for which all school district learners should be held accountable.

III. DEFINITIONS

- A. "Academic standard" means a summary description of student learning in a required content area or elective content area.
- B. "Benchmark" means specific knowledge or skill that a student must master to complete part of an academic standard by the end of the grade level or grade band.
- C. "Comprehensive Achievement and Civic Readiness" means striving to: meet school readiness goals; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; have all students graduate from high school; and prepare students to be lifelong learners.
- D. "Curriculum" means district or school adopted programs and written plans for providing students with learning experiences that lead to expected knowledge, skills, and career and college readiness.
- E. "Instruction" means methods of providing learning experiences that enable students to meet state and district academic standards and graduation requirements including applied and experiential learning.

IV. LONG-TERM STRATEGIC PLAN

- A. The school board, at a public meeting, must adopt a comprehensive, long-term strategic plan to support and improve teaching and learning that is aligned with striving for comprehensive achievement and civic readiness and includes the following:

Menahga Public Schools
Independent School District #821

1. clearly defined school district and school site goals and benchmarks for instruction and student achievement for all student categories identified in Minnesota Statutes, section 120B.35, subdivision 3, paragraph (b)(2);
 2. a process to assess and evaluate each student's progress toward meeting state and local academic standards, assess and identify students for participation in gifted and talented programs and services and accelerate their instruction, adopt early-admission procedures consistent with Minnesota Statutes, section 120B.15 and identifying the strengths and weaknesses of instruction in pursuit of student and school success and curriculum affecting students' progress and growth toward career and college readiness and leading to the world's best workforce;
 3. a system to periodically review and evaluate the effectiveness of all instruction and curriculum.
 4. education effectiveness practices that engage all learners on a life-long path to success.
 5. an annual budget for continuing to implement the school district plan; and
 6. identifying a list of suggested and required materials, resources, sample curricula, and pedagogical skills for use in kindergarten through grade 12 that accurately reflect the diversity of the state of Minnesota.
- B. The school district is not required to include information regarding literacy in a plan or report required under this section, except with regard to the academic achievement of English learners.
- C. Every child is reading at or above grade level every year, beginning in kindergarten, and multilingual learners and students receiving special education services are receiving support in achieving their individualized reading goals pursuant to Policy 621 (Literacy and the Read Act)
