FY2021 Financial Highlights

Statement of Net Position

- The School District's total assets increased by \$6.9 million in FY21.
 - Increase is mainly attributed to the increase in OPEB assets, grants receivable, and prepaid items.
- Total liabilities overall decreased by \$2.3 million in FY21.
 - Decrease is due to reduction in noncurrent liabilities surrounding the net pension liability.
- Net position overall increased by \$7.1 million to \$(9,119,776).
 - Net increase is as a result of increased general revenues while net expenditures for governmental activities remained fairly comparable to PY.

FY2021 Financial Highlights

Statement of Activities

- The School District's total governmental activities expenditures increased by \$6.6 million in FY21.
 - Net increase is mainly attributed to increase in instruction, support services-instruction, and operations and maintenance of plant.
- Operating grants and contributions increased by \$6.1 million. The increase is mainly attributed to the rollover of grant funds including CARES Act funding.
- General revenues increased by \$3.6 million in FY21. The increase is due to the in-kind support and Borough appropriation.

FY2021 Financial Highlights

Governmental Funds-Balance Sheet

General (School Operating) Fund

- The General (School Operating) Fund total assets increased by \$2.6 million in FY21, largely due to increase in investments and due from nonmajor governmental funds.
- The General (School Operating) Fund total liabilities increased by \$6.5 million in FY21. The primary increase is due to accounts payable, accrued payroll liabilities and due to nonmajor governmental funds.
- The General (School Operating) Fund balance decreased by \$3.9 million in FY21. This is largely due to the increased obligations of the School Operating fund to the nonmajor governmental funds.

FY2021 Financial Highlights

Governmental Funds-Balance Sheet

Nonmajor governmental funds

- The nonmajor governmental funds total assets increased by \$6.9 million in FY21, largely due to increase in grants receivable, prepaid items, and due from other funds.
- The nonmajor governmental funds total liabilities increased by \$1 million in FY21. The primary increase is due to accounts payable and due to the general fund.
- The nonmajor governmental fund balance increased by \$5.8 million in FY21. This is largely due to the increase in other financing sources-operating transfers in from the general fund.

FY2021 Financial Highlights

Statement of Revenues, Expenditures, and Changes in Fund Balances-Governmental Funds

General (School Operating) Fund

- The General (School Operating) Fund total revenues increased by \$3.9 million in FY21, largely due to increase in the local contribution (Borough appropriation), which also includes the in-kind support for the fuel and insurance.
- The General (School Operating) Fund total expenditures increased by \$1.1 million in FY21.
- The General (School Operating) other financing uses increased by \$7.4 million in FY21. This is primarily as a result of the operating transfers out to the nonmajor governmental funds.

FY2021 Financial Highlights

Statement of Revenues, Expenditures, and Changes in Fund Balances-Governmental Funds

Nonmajor governmental funds

- The nonmajor governmental funds total revenues increased by \$1.9 million in FY21, largely due to increase in federal resources (CARES Act Funding) to support School Districts through the global Covid-19 pandemic.
- The nonmajor governmental funds total expenditures increased by \$3.7 million in FY21.
- The nonmajor governmental funds other financing sources increased by \$7.6 million in FY21. This is primarily as a result of the operating transfers in from the School Operating fund.
