

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** February 16, 2015

**AGENDA ITEM:** Consider Approval of Purchase of Baseball and Softball Scoreboards at Aledo High School

**PRESENTER:** Earl Husfeld

**ALIGNS TO BOARD GOAL(S):** Financial/Facilities – The District shall exhibit excellence in financial and facility planning, management, and stewardship.

**BACKGROUND INFORMATION:**

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.

**ADMINISTRATIVE CONSIDERATIONS:**

- In accordance with Board Policy CH (Local), the purchase/bid itemized on the following page is presented for your review and consideration.

**FISCAL NOTE:**

The item on the following page will be purchased with funds paid to the District by Jerry's Chevrolet for advertisement on the two scoreboards.

**ADMINISTRATIVE RECOMMENDATION:**

The Administration recommends the Board of Trustees approve the quote/bid submitted by SPECTRUM Scoreboards for baseball and softball scoreboards and their related support structures at Aledo High School as itemized on the following page.

ALEDOH S-(2)9924UC2(C)CONFIRMING

~ CONFIRMING QUOTATION ~  
January 8, 2015

TO: Tim Buchanan  
Aledo ISD

**RE: SUPPORT STRUCTURE FOR BASEBALL & SOFTBALL SCOREBOARD**

We would like to offer our price quotation as follows:

**Six (6) W8 x 28 X 32' I-Beams**, primed and painted black, set and concreted in 2' X 8'6" drilled piers.  
Includes all labor, materials, and dirt spreading/removal.

<b>TOTAL DELIVERED &amp; INSTALLED ~~~~~ \$ 17,782</b>
--

**By signing this quotation, the customer has read, understands and agrees to the following:**

- \*\* Drilling and setting the support structure requires access of heavy equipment to the site.  
Heavy equipment includes a concrete truck, drill truck and/or skid loader.
- \*\* Customer agrees to provide and allow clear, unobstructed access of this equipment to the site.  
This access permission may include crossing of soil, concrete sidewalks, running tracks, synthetic turf, irrigation systems, and synthetic "D" areas.
- \*\* Spectrum is not responsible for any ruts or damage to soil, grass, turf, or track surfaces as required to gain access to the drill site. IF we are required to set this structure in wet conditions, or required to cross finished tracks, "D areas", turf, etc, wooden "mats" or drive may be required, at the customer's discretion, to avoid damage to these surfaces.  
*Cost of these mats is not included in the above quotation.*  
*Protective "work pad" or "access drive" must be laid out prior to arrival of the drill truck and concrete truck.*
- \*\* Spectrum will take reasonable precautions, work with, and coordinate with **Aledo ISD** to gain efficient access to the drill site. However, Spectrum is not liable or responsible for any damage done to the soil, grass, irrigation systems, turf, or track surfaces as required to gain access to the site.
- \*\* Gates must be a minimum of 10' width. Ground must be dry, and sprinkler systems turned off.
- \*\* Please check and clear the area of any electrical lines, gas lines, water lines, sprinkler systems, etc, prior to drilling. Spectrum is not responsible for any damage done to above ground or underground utilities, electrical power lines, or data lines.
- \*\* Installation of Support Beams is for normal soil only. If we encounter conditions such as concrete, rock, stone, etc., and cannot drill through it with our equipment, or move the installation to another suitable area, additional charges will result.

We value our relationship with **Aledo ISD** and we look forward to working with you on this project.
