JARRELL INDEPENDENT SCHOOL DISTRICT
JARRELL, TEXAS**

Date: February 19, 2025

Reported by: Kelly Blair & Paul Boff

Subject: CTE Programming & Distinction

Discussion/Action

BACKGROUND INFORMATION:

The vision for expanding Career and Technical Education (CTE) programming in our district has been guided by collaboration with students, parents, staff, industry partners, and community stakeholders. The information presented today highlights our ongoing commitment to equipping students with the skills and credentials necessary for postsecondary success. Our district's distinction recognition reflects the effectiveness of these efforts and reinforces our dedication to expanding high-quality CTE pathways that align with workforce demands and student interests.

STRATEGIC GOAL:

1.2.2 Provide all students with foundational Academic knowledge and skills by meeting their individual needs.

ITEM ADDRESSED:

Information about CTE programming and positive impacts on stakeholders

BUDGET INFORMATION:

N/A
